The Development Centre team was led by Christian Daude, Head of the Americas Desk, and production was co-ordinated by Anna Jankowska. The comments and contributions made by Mario Pezzini, Director of the Development Centre, and Carlos Álvarez, Deputy Director, were most helpful.

The Development Centre would also like to express special thanks to the Spanish Ministry of Finance and Ministry of Foreign Affairs, the Swiss Agency for Development and Cooperation, BBVA Pensiones y Seguros and Endesa for their financial support to the *Latin American Economic Outlook*.

The ECLAC team was co-ordinated by Sebastián Rovira, the Economic Affairs Officer of the Division of Production, Productivity and Management, under the supervision of Mario Cimoli, director of the division.

The report's authors would also like to thank the external experts who provided advice and comments during the Experts' Meeting held on 14 and 15 June 2012 in Paris, especially Gabriel Yoguel, Claudio Cortellese, Marco Dini, Eduardo Fernández-Arias, Ulrich Frei, Sonsoles Gallego, Hugo Kantis, Martha Pacheco, Federico Poli and Silvia Rodado, for their valuable comments and suggestions.

Finally, we wish to thank the team at ECLAC's Documents and Publications Division and at the OECD Development Centre's Communications & Publications Unit, especially Ricardo Pérez, Cristóbal Santa Cruz, Susana Malchick, Erika Fucaraccio, Diana Klein, Aida Buendía and Vanda Legrandgérard, for their support in editing, laying out and producing the report.
