

Foreword

This Survey is published on the responsibility of the Economic and Development Review Committee of the OECD, which is charged with the examination of the economic situation of member countries.

The economic situation and policies of Spain were reviewed by the Committee on 27 June 2023. The draft report was then revised in light of the discussions and given final approval as the agreed report of the whole Committee on 17 July 2023.

The Secretariat's draft report was prepared for the Committee by Bertrand Pluyaud, Adolfo Rodríguez-Vargas and Peter Jarrett, under the supervision of Aida Caldera Sánchez. Research assistance was provided by Véronique Gindrey, editorial support by Karimatou Diallo and communication assistance by François Iglesias.

The previous Survey of Spain was issued in May 2021.
