

Foreword

This *Survey* is published under the responsibility of the Economic and Development Review Committee of the OECD.

The economic situation and policies of Thailand were reviewed by the Economic and Development Review Committee on 17 July 2023 with participation of representatives of the Thai authorities. The draft report was then revised in the light of the discussions.

The Secretariat's draft report was prepared for the Committee by Kosuke Suzuki, Kyongjun Kwak, Jean Chateau, Wilailuk Poolee and Supatra Sripumphet under the supervision of Jens Arnold. Statistical research assistance was provided by Tony Huang and Paula Adamczyk and editorial assistance by Emily Derry, Robin Houngh Lee, and Laura Fortin. The *Survey* also benefitted from contributions at various stages by Alvaro Pereira and Isabell Koske.

Support from the governments of Thailand and Japan is gratefully acknowledged.

The previous Survey of Thailand was issued in October 2020. Information about the latest as well as the previous Survey and more information about how Surveys are prepared is available at <http://www.oecd.org/eco/surveys>.
