

Foreword

This 2013 edition of *Health at a Glance – OECD Indicators* presents the most recent comparable data on key indicators of health and health systems across the 34 OECD member countries. Where possible, it also reports comparable data for Brazil, China, India, Indonesia, the Russian Federation, and South Africa, as key emerging countries.

The production of *Health at a Glance* would not have been possible without the contribution of OECD Health Data National Correspondents, Health Accounts Experts, and Health Care Quality Indicators Experts from the 34 OECD countries. The OECD gratefully acknowledges their effort in supplying most of the data contained in this publication. The OECD also acknowledges the contribution of other international organisations, especially the World Health Organization, the World Bank and Eurostat, for sharing some of the data presented here, and the European Commission for supporting data development.

This publication was prepared by a team from the OECD Health Division under the coordination of Gaétan Lafortune. Chapter 1 was prepared by Gaétan Lafortune, Kees van Gool and Nelly Biondi; Chapter 2 by Franco Sassi, Marion Devaux, Michele Cecchini and Nelly Biondi; Chapter 3 by Michael Schoenstein, Gaétan Lafortune, Gaëlle Balestat and Anne Durand; Chapter 4 by Gaétan Lafortune, Valérie Paris, Gaëlle Balestat, Marie-Clémence Canaud and Jessica Farebrother; Chapter 5 by Kees van Gool, Ian Forde, Rie Fujisawa, Nelly Biondi, Evianne van der Kruk and Niek Klazinga; Chapter 6 by Marion Devaux, Valérie Paris, Gaétan Lafortune, Michael Schoenstein, Tomoko Ono, Michael Mueller, Emily Hewlett and Alessia Forti; Chapter 7 by David Morgan, Michael Mueller and Alan Diener; and Chapter 8 by Francesca Colombo, Yuki Murakami, Marie-Clémence Canaud, Nelly Biondi, Michael Mueller and Martin Salomon. This publication benefited from many comments and suggestions from Mark Pearson (Head of the OECD Health Division).
