

Foreword

This Survey is published on the responsibility of the Economic and Development Review Committee of the OECD, which is charged with the examination of the economic situation of member countries.

The economic situation and policies of Slovenia were reviewed by the Committee on 13 May 2024. The draft report was then revised in light of the discussions and given final approval as the agreed report of the whole Committee on 17 June 2024.

The Secretariat's draft report was prepared for the Committee by Jan Stráský, Martin Borowiecki, Volker Ziemann and Federico Giovannelli under the supervision of Mame Fatou Diagne. Research assistance was provided by Federico Giovannelli and editorial support by Robin Houg Lee and Emily Derry.

The previous Survey of Slovenia was issued in July 2022. Information about the latest as well as previous Surveys and more information about how Surveys are prepared is available at <http://www.oecd.org/eco/surveys>.
