## The domestic legal and administrative framework

It is recommended that Papua New Guinea take steps to amend its legislation or otherwise alter the threshold condition to bring it in line with the Action 13 minimum standard. This recommendation remains in place since the 2018/2019 peer review.

It is recommended that Papua New Guinea amend its legislation or otherwise take steps to ensure that provisions to enforce the effective implementation of CbC reporting requirements are provided for. This recommendation remains in place since the 2018/2019 peer review.

## The exchange of information framework

Papua New Guinea has no bilateral relationships in place for the exchange of CbC reports nor processes to ensure that the exchange of information is conducted in a manner consistent with the terms of reference relating to the exchange of information framework.

It is recommended that Papua New Guinea take steps to put in place an exchange of information framework that allows automatic exchange of information and have QCAAs in effect with jurisdictions of the Inclusive Framework which meet the confidentiality, consistency and appropriate use prerequisites and with which they have an international exchange of information agreement in effect that allows for the automatic exchange of tax information. This recommendation remains in place since the 2018/2019 peer review.

It is recommended that Papua New Guinea take steps to implement processes or written procedures to ensure that the exchange of information is conducted in a manner consistent with the terms of reference relating to the exchange of information framework ahead of the first exchanges of information. This recommendation remains in place since the 2018/2019 peer review.

### Appropriate use of CbC reports

Papua New Guinea does not yet have controls in place to ensure the appropriate use of CbC reports.

It is recommended that Papua New Guinea take steps to ensure that the appropriate use condition is met ahead of the first exchanges of information. This recommendation remains in place since the 2018/2019 peer review.
