

List of TL2 Regions

For administrative boundaries, the OECD has classified two levels of geographic units within each member country. The higher level (Territorial level 2 [TL2]) consist of 371 large regions, which correspond in most cases to the principal sub-national unit of government (states or provinces), while the lower (Territorial level3 [TL3]) comprises 1 794 smaller regions. For more information about OECD regional classification see *OECD Regions at a Glance 2011...*
