

## Slovak Republic

### 1. Policy

The Slovak Public Procurement Act includes the following RBC objectives:

*Environment*

*People with disabilities*

*Long-term unemployed people*

*Minority considerations*

*Strategic frameworks*

- [National Action Plan of Green Public Procurement](#) for 2016-2020
- Greener Slovakia - Strategy of Environmental Policy of the Slovak Republic until 2030 ([Envirostrategy 2030](#))

### 2. Implementation

*Tender phase*

- Since January 2020, the contracting authorities and concerned entities of the Slovak Republic are obliged to use a minimum of 6% of the social criterion in tenders (e.g. people with disabilities, long-term unemployed people and minorities).

### 3. Good Practices

- To raise awareness with the Slovak authorities at both federal and regional level that Green Public Procurement is not more costly, methodology training and workshops were organised to educate the Slovak contracting authorities in co-operation with the Ministry.
