

# **6 Tax revenues by subsectors of general government**

---

Chapter 6 provides information on tax revenues by subsectors of general government for each OECD country.

---

## 6.1. Country tables 1975, 1985, 1995, 2005 and 2020

This chapter presents detailed country information on tax revenues by level of government. The data have been attributed to the sub-sectors of general government identified in section A.12 of the Interpretative Guide (see Annex A) and the attribution criteria used are those set out in that guide.

Note: Including taxes collected on behalf of the European Union.

1. From 1985, social security contributions are classified using the SNA definition of Social security Funds which means that a proportion of these payments are shown under the heading of Central Government. Prior to that year, all such payments were classified under the heading of Social Security.
